GYPSY LOVE SONG

THE FAVORITE TUNES OF THE
 HARRY B. SMITH
 VICTOR HERBERT

© 1915 M. Witmark & Sons

These birds of the forest are calling for thee
 And the shadows and the glades
 Are lonely:
 And you are with her blossoms fair,
 No bird that nests in the green-wood trees,
 But sighs to greet you and kiss you,
 All the winter years for your safe return,
 But none of all I miss you.

Remember on my little gypsy sweetheart,
 Can you hear me, hear me, in that dreamland,
 Where your father roves?
 Remember on my little gypsy sweetheart,
 Will little woodland doves
 Can you hear the song that tells you
 All my heart's true love?

The dawn that you loved has a look in its eye,
 Says that she's trilled by our comrades old
 The wild rose fades in the early shades,
 Its ghost will find you and haunt you,
 All the friends say:
 "Come to your woodland home,
 And meet of all I want you."
